Call for Abstracts

Accepting abstracts for Poster Presentations until March 30, 2013.
Poster Presentation - Monday, May 20, 2013 • 12 p.m. to 1 p.m.

The symposium organizers invite presenters from all medical disciplines including physicians, nurses, radiological services, respiratory therapy and education to submit an abstract for consideration that is relevant to the symposium's objectives and theme. These include:

- Current trends and medical practices in trauma care, critical care and emergency medicine
- Present cutting edge, relevant information
- Current trends, research, evidence-based practice, best practices, unique solutions and unusual case studies

Research in progress, student presentations, and previously-presented posters are welcome.
Please limit your abstract to 300 words. Include primary author contact information, including email address.

Abstracts must be submitted electronically to traumaeducation@atlanticcare.org by March 30, 2013.
Presenters will be notified of abstract acceptance via email by April 8, 2013.

For more information, please visit www.atlanticcare.org/symposium.

BALLY’S ATLANTIC CITY HOTEL & CASINO

BALLY’S ATLANTIC CITY HOTEL & CASINO

Located on the Atlantic City Boardwalk, Bally's Atlantic City Hotel & Casino combines comfort with history and tradition. It includes a Family Fun Center, The Spa at Bally's, shopping, an indoor pool and other features to enhance your stay. Make your hotel reservation today to experience all that Bally's Atlantic City offers.

Atlantic City offers attractions and activities that range from casino resorts and boutique hotels to golf courses, lighthouses, performing arts, and cultural and historical venues to fine dining. A short drive takes you to visit wineries, museums and attractions in Atlantic County and neighboring Cape May and Ocean counties. For more information about what Atlantic City offers, visit www.atlanticcitynj.com

TRAVEL AND ACCOMMODATIONS

A block of rooms is reserved at **Bally's Atlantic City Hotel & Casino** for a reduced rate of \$95.00 per room, per night in the Main Building and \$125.00 per room, per night in the Bally's Tower. All rates quoted are based on single or double occupancy, plus applicable Atlantic City room tax, currently 14 percent. Rates are also subject to a New Jersey State Tourism Promotional Fee, currently \$3.00, and a Room Assessment Fee, currently \$7.00, per room, per night. Each additional person is \$20.00. To make a reservation, contact the Bally's Reservations Department by calling 1-800-345-7253 between 9 a.m. and 5 p.m., Monday through Friday before May 5, 2013.

To secure the discounted rate, you must mention you are participating in AtlantiCare's Trauma Symposium.

Any reservations made after May 4, 2013 will be on a space-availability basis at then available rack rates.

PARKING

Parking fee per stay is \$5.00 (per day) for self-parking or \$10.00 (per day) for valet parking for all overnight hotel guests. Parking fee is subject to change.

15TH ANNUAL TRAUMA SYMPOSIUM • MAY 20-22, 2013
EARLY REGISTRATION

EARLY REGISTRATION	PHYSICIAN	NURSING/ALS/RESPIRATORY/ALLIED HEALTH
MAY 20-22, 2013 (Full Conference - 18 credits)	\$400	\$300
MAY 20 OR MAY 22, 2013 (Half Day - 5 credits)	\$150	\$100
MAY 21, 2013 (Full Day - 8 credits)	\$225	\$175
\$40 Late fee will apply after May 6		

CONFERENCE EXHIBITORS/COMMERCIAL SUPPORT

Educational and registration fees for participants are kept at a minimum through the generous support of exhibitors and supporters. Exhibits include state-of-the-art equipment, products and professional services. Exhibitors' and supporters' ongoing commitment to the symposium makes it possible for ARMC to offer this quality educational experience for a nominal fee. The AtlantiCare Regional Medical Center Annual Trauma Symposium is grateful for the continued support of exhibitors and supporters. During breaks, please visit the exhibitors to meet their representatives and learn about their products and services.

ABOUT ATLANTICARE

AtlantiCare is an integrated system of services designed to help people achieve optimal health. It does so by focusing on customer needs and expectations to provide accessible, comprehensive services of superior quality and value. AtlantiCare is comprised of AtlantiCare Regional Health Services including AtlantiCare Regional Medical Center with three locations, ambulatory services and AtlantiCare Physician Group; the AtlantiCare Foundation, and AtlantiCare Health Solutions, an accountable care organization.

The region's largest healthcare organization and largest non-casino employer, AtlantiCare's more than 5,195 employees and 600 physicians serve the community in over 60 locations. AtlantiCare and its business units are governed by boards comprised of more than 70 volunteer community leaders. AtlantiCare's focus is to serve the community as a provider of health and wellness services.

AtlantiCare is committed to building healthy communities through partnerships with local organizations that share its interest in health. AtlantiCare's primary service offering of **Healthcare Delivery**, integrated with the complementary and strategic service offerings of **Health Information** and **Health Solutions**, is focused on delivering value at every stage of an individual's health (healthy, at-risk, episodically ill or chronically ill). Together, these services offer the elements necessary to achieve, maintain or return each member of the community to optimal health.

COURSE INTRODUCTION

COURSE OVERVIEW

The AtlantiCare Regional Medical Center 15th Annual Trauma Symposium, will address the latest advances and topics in trauma, critical care and emergency medicine, while emphasizing the importance of quality patient care. Speakers will include national and regional experts. This educational opportunity offers continuing education credits and networking opportunities for professional healthcare providers who contribute to the interdisciplinary care of the injured patient.

STATEMENT OF NEED

Data related to the care of critically ill and injured patients is rapidly evolving with advances in science and technology. If implementation at the bedside fails to keep pace, optimal patient care can be compromised. The course is designed to improve the knowledge, competence and performance of healthcare providers engaged in daily care of critically ill and traumatized patients to prevent a gap in knowledge where the information and technology exists. The symposium will feature didactic lectures and inspiring keynote addresses, with a balance between evidence-based principles and innovative, thought-provoking elements of trauma, critical care and emergency medicine. This comprehensive course will incorporate current guidelines and the newest techniques for evaluation, diagnosis and treatment; and provide a valuable update on the management of injured and critically ill patients.

CONFERENCE OBJECTIVES

At the conclusion of this program participants should be able to:

- Apply knowledge gained and lessons learned to provide quality trauma care in practice settings.
- Discuss management, technology and techniques for optimal care of diverse trauma, critical care and emergency medicine-related issues.
- Describe the latest strategies and techniques for optimal care in the critical care setting, including pediatrics, respiratory care and burn injuries.

TARGET AUDIENCE

- Physicians
- Physician assistants
- Nurses/Nurse practitioners
- Respiratory therapists
- Physical therapists
- Pre-hospital advanced life support
- Allied healthcare professionals

ACCREDITATION & DISCLOSURE

Physician

The AtlantiCare Regional Medical Center is accredited by the Medical Society of New Jersey to provide continuing medical education for physicians. The AtlantiCare Regional Medical Center designates this live activity for a maximum of 18 *AMA PRA Category 1 Credits™* for May 20-22, 2013. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Physician Assistants

The American Academy of Physician Assistants accepts *AMA PRA Category 1 Credit(s)™*.

Nursing

AtlantiCare Regional Medical Center is an approved provider of continuing nursing education by New Jersey State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. P64-12/12-15.

Respiratory

18 continuing education credits are pending American Association for Respiratory Care approval for May 20-22, 2013.

Pre-Hospital

New Jersey EMS: A certificate will be issued upon completion of the course. Credits will be given to each participant through his or her EMS coordinator.

Pennsylvania EMS: Continuing education has been applied for through MidAtlantic MedEvac and is pending PA Department of Health/EMS approval for May 20-22, 2013.

All other out-of-state EMS: Contact your state's EMS office for pre-approval of credits and information about CEUs.

Note: Credit will be awarded to all participants only if the evaluation form is completed and returned.
